I was dispatched to a reported verbal disturbance and when I arrived the victim told me the man she had an intimate relationship with, Aldaco, had come to her house located at 214 Marquisita Mine Dr. in Auburn and choked her causing her to not be able to breathe and made the victim feel like she was going to pass out. The victim also had bruises on the back of her legs that she was unsure how she got them but said they were inflicted during the assault where she was choked. Aldaco left and came back several times and made a pin tie the victim had put on her pants to keep him out. I located an address for Aldaco located at 2000 N. Thompson Hill Dr. Sacramento and arrested the Sacramento Police Department attempt to locate Aldaco at that residence and if he was contacted to detain him until I could pick him up. The Sacramento Police Department located Aldaco at that residence and if he transported him to 5303 Franklin Dr. where I picked him up. Aldaco waived his right to be booked in Sacramento County and agreed to be booked in Placer County. Aldaco was transported to the PCSO Jail in Auburn and booked.
